Financial Policy

We are committed to providing you with the best possible health care, and we are pleased to discuss our professional fees with you at any time. If you have any medical insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policies. Please ask if you have any questions about our fees, your responsibility, or the financial policy.

All patients must complete our Patient Information Form and inform our office of any changes in address or insurance. In order for us to treat and care for our patients, we must have complete and correct information.

Payment for services rendered is ***due at the time of service.*** We accept cash, check, Mastercard, Visa, Discover, and American Express. There will be a $ 25.00 service charge for any returned checks.

We expect **TOTAL PAYMENT** two weeks prior to all aesthetic procedures.

Insurance policy:
We will gladly answer questions regarding your insurance. If the proposed services are medically necessary, we will attempt authorization from your insurance company. You must realize, however that:

- Your insurance is a contract between you, your employer, and the insurance company. We are not a party to that contract.
- We do not handle third party billing, therefore, you are responsible for payment to the practice and being reimbursed by the third party.
- Not all services are a covered benefit in your contract. Some insurance companies arbitrarily select certain services they will not cover and these are a patient responsibility.
- If your insurance coverage is through a plan that we are ***not*** contracted with, regardless of your carrier's rate of reimbursement, you will be responsible for the ***FULL*** balance of your account. This includes any amount over the "reasonable and customary".

We must emphasize that as a medical care provider, the relationship is with you, not your insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date the services are rendered. It is understood that temporary financial problems may affect timely payment of your account. If such problems arise, you are encouraged to contact us promptly for assistance in the management of your account.

"I hereby assign, transfer, and set over to Plastic Surgery Associates all of my rights, title and interest to my medical reimbursement benefits under my insurance policy with my current insurance company."
